12 – original numbers, professionally recorded (*Full Orchestra & Voices*)

1 - non-original number (“La Marseillaise”)

1 – original number (“Where Is There”, the D-Day Song) – OPTIONAL

“Where Is There”, the D-Day Song, is not officially part of “Philippe’s Escape” since it does not feature or represent any specific character of the Musical and it does not add to the story. It is a suggested, time-appropriate piece, written by the author of the Musical, that can help keep the audience focused during the scene change between Act II and Act III.

Because “Where Is There” is not part of “Philippe’s Escape”, the music score is separate.

Although optional, “Where Is There” is included in the license.
